

The Saskatoon Industry Education Council is proud to present the Automotive Skills Boot Camp!

Dear Student,

The Saskatoon Industry-Education Council (SIEC) is excited to present you with the opportunity to explore the automotive industry. If you enjoy working on cars and have an interest in becoming an Automotive Service Technician the Automotive Skills Boot Camp is a great way to get a head start on your future career!

Participation in the camp opens the door for you to gain a basic understanding of automotive service, maintenance and repair. It also provides you the opportunity to engage in hands-on activities with a qualified instructor.

This program will accept up to **16** students; please complete and send in your application by emailing or faxing to the SIEC office before the deadline of **Wednesday, February 13, 2019**. The Automotive Skills Boot Camp is open to students in grades 10, 11 and 12. The Automotive Skills Boot Camp will take place on the following dates:

- Session #1 – Wednesday, February 27
- Session #2 – Wednesday, March 6
- Session #3 – Wednesday, March 13
- Session #4 – Wednesday, March 20
- Session #5 – Wednesday, March 27
- Session #6 – Wednesday, April 3
- Session #7 – Wednesday, April 10
- Session #8 – Wednesday, April 17
- Session #9 – Wednesday, May 1
- Session #10 – Wednesday, May 8

After the application deadline you will be notified if you have been accepted into the program. You will then be required to complete safety training before the first session; the requirement being that you complete the Safety Construction Orientation Training modules. You will receive this training, which includes basic SCOT and WHMIS certification, free of charge. The camp includes completion of modules to be completed through a number of evening hands-on learning sessions.

If you are interested in a career in the automotive industry don't miss out on this exciting opportunity! The experience and knowledge you gain and the networks you establish will prove to be an important step in your career planning.
