

Dear Career Facilitator/Guidance Counselor,

The Saskatoon Industry-Education Council (SIEC) is excited to announce an opportunity for youth to experience the masonry trade. The Masonry Skills Boot Camp provides students the chance to gain a better understanding of bricklaying. Students will engage in independent learning as well as a number of hands-on activities led by a journey person mason. Every session is 100% hands-on learning.

The camp will benefit students in a number of ways, including:

- Receiving hands-on instruction from a journey person during hands-on activities.
- Safety Construction Orientation Training facilitated by the SIEC.
- An opportunity to meet new friends; friends they will work with throughout the program.

The Masonry Skills Boot Camp is for students currently in grade 10, 11, or 12 who may be showing an interest in the trades. **Please note the application deadline for the program is Tuesday, November 5, 2019.** Below are the dates for the Masonry Skills Boot Camp:

- Session #1 – Thursday, November 14, 2019
- Session #2 – Thursday, November 21, 2019
- Session #3 – Thursday, November 28, 2019
- Session #4 – Thursday, December 5, 2019
- Session #5 – Thursday, December 12, 2019

****ALL SESSIONS TAKE PLACE AT THE SASKPOLYTECH MASONRY SHOP****

Thank you for your hard work in promoting our programs; we cannot continue to run successful endeavors without you. Any questions regarding the Masonry Skills Boot Camp may be directed to me at 306.683.7771 or sent to megan@saskatooniec.ca

Regards,

Megan Unrau
SIEC Program Coordinator
