

Good afternoon,

The Saskatoon Industry Education Council (SIEC) is proud to present:

Spotlight on Careers—

- **March 20 - April 4, 2019**
- Please see the reverse of this sheet for program details
- *Spotlight on Construction* is a separate application form and deadline
- Focus is on Grade 11 & 12 students, but Grade 10 students are welcome to apply
- **Application deadline – Thursday, March 7, 2019**

NEW Application link: <https://tinyurl.com/SIEC2019>

Information for students:

- Students are responsible for:
 - ✓ their own transportation to and from Sask Polytech
 - ✓ Bringing a lunch to the event (Note: microwaves are often not available)
- Transportation is provided from venue to venue on the tour
- Safety equipment will be provided if needed and if students do not have their own.
- Apply online AND submit your paper Media/Parent Consent to your school representative
- Space is limited for Spotlights so apply early!

For Career Facilitators, School Counsellors, and Career Practitioners:

- ***We encourage students to fill out online applications this semester***; however, we have provided paper applications if they are needed.
- Paper copies of Parent/Media forms will still need to be submitted to you and passed on to our office via email.
- We are always grateful for volunteer chaperones! School counsellors, career facilitators, or teachers (specialists or those who want to learn more about a specific area of interest) may act as chaperones. *All school divisions have offered support for sub costs!*
- We appreciate all of the work you do to communicate these opportunities to your students!

Please do not hesitate to contact Aaron should you have any questions.

Thank you for your support of these exciting career discovery opportunities!
