

Dear Career Facilitator/Guidance Counselor,

The Saskatoon Industry-Education Council is excited to present **The Hairstyling and Esthetics Skills Boot Camp!** Over the 8-week program, students will be led through a number of workshops that highlight a different hairstyling or esthetics skill every week. Students in the Skills Boot Camp must be able to commit to one session every week with our instructors.

The **Hairstyling and Esthetics Skills Boot Camp** is for students currently in grade 10, 11, or 12 who may be showing an interest in a career in the industry; the boot camp will accept 12 students. In the information package you've received you will find a student information letter and student application form, as well as a poster to be posted to promote our program in your school. **Please note the application deadline for the program is Tuesday, October 15, 2019**
