

Dear Student,

The Saskatoon Industry-Education Council (SIEC), in partnership with Saskatchewan Polytechnic, is excited to present you with the opportunity to explore the automotive industry. If you enjoy working on cars, restoring classic cars and have an interest in becoming an Autobody Technician, get a head start on your future career!

Participation in the camp opens the door for you to gain a basic understanding of autobody service and repair. It also provides you the opportunity to engage in hands-on activities with a qualified instructor.

This program will accept up to 12 students; please complete and send in your application by emailing to the SIEC office before the deadline of Thursday, October 17, 2019. The Autobody Skills Boot Camp is open to students in grades 10, 11 and 12. The Autobody Skills Boot Camp will take place from 4:30-7:30PM on the following dates:

- Session #1 – Wednesday, October 23
 - Welding
- Session #2 – Wednesday, October 30
 - Patch making
- Session #3 – Wednesday, November 13
 - Welding, sanding
- Session #4 – Wednesday, November 20
 - Grinding, painting
- Session #5 – Wednesday, November 27
 - Painting, sealing

****ALL SESSIONS WILL BE HELD IN THE AUTOBODY SHOP AT SASKATCHEWAN POLYTECHNIC****

After the application deadline you will be notified if you have been accepted into the program. You will then be required to complete safety training before the first session; the requirement being that you complete the Safety Construction Orientation Training modules. You will receive this training, which includes basic SCOT and WHMIS certification, free of charge.

If you are interested in a career in the automotive industry don't miss out on this exciting opportunity! The experience and knowledge you gain and the networks you establish will prove to be an important step in your career planning.

Any additional inquiries or questions can be directed to Megan Unrau at 306.683.7771 or megan@saskatooniec.ca

Thank you for your interest in participating in the Autobody Skills Boot Camp.

Sincerely,

Megan Unrau
SIEC Program Coordinator
